

Dyslexia Professional Development Credit Course List

In accordance with [Idaho Code 33-1811 \(4\)](#), “the State Department of Education shall maintain a list of courses that fulfill the professional development requirements.” This list identifies approved professional development that provide access to one (1) or more credits. This may include either transcribed credit or in-service credit (15 district-approved clock hours to be documented on the [In-Service Verification of Completion Form](#)).
